

KEMLAN WOOD FIREPIT

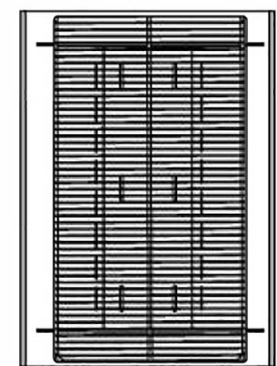

Introducing our revolutionary new wood fire pit — designed with innovation in mind — it combines the perfect blend of style, functionality, and portability.

Crafted from 6mm Corten, it boasts exceptional durability as well as a natural rusted look, adding a touch of rustic charm to your outdoor setting.

Designed flat packed, with easy assembly and disassembly, this fire pit is perfect for camping trips or outdoor adventures.

It's innovative design reduces smoke during start-up and ensures heat is directed towards the sides, providing optimal warmth where you want it.
